

GRETIIM

The image features the word "GRETIIM" in a large, bold, 3D font. The letters are primarily orange with a red outline and a white inner border, giving them a thick, blocky appearance. They are set against a light blue background. Above the letters, there is a yellow crescent shape on the left and a small red dash on the right. Below the main text, the tops of other letters in the same style are visible, including what appears to be "I", "I", and "O".
